

Tokyo Tech-AYSEAS 2014

Tokyo Tech-Asia Young Scientist and Engineer Advanced Study Program 2014
Advanced Study Program organized by Tokyo Institute of Technology, Japan

Announcement for students of partner universities in Indonesia, the Philippines, Singapore, Thailand and Vietnam

● **OBJECTIVE**

To provide a joint study trip program for students from Tokyo Tech- AYSEAS member universities in Japan, Indonesia, the Philippines, Singapore, Thailand and Vietnam.

Participants can learn much from the dynamism of fast-growing Asia in industry, education and governance through discussion and communication with students from different backgrounds. Tokyo Tech-AYSEAS 2014 is the successor to the Japan-Asia Young Scientist and Engineer Study Visit (JAYSES) program, which began in 2007.

● **PROGRAM**

11-day study visit to **Vietnam (September 7 – 17, 2014)**

- (1) **Visit:** Vietnamese/Japanese companies, government organizations, educational facilities, and research institutes, etc.
- (2) **Discussion:** The participants will separate into several groups according to chosen topics to exchange opinions.
- (3) **Presentation:** Each group will give a presentation after the discussion.

● **TOPICS for DISCUSSION**

Main theme: "From Asia to the World"

The topics for Tokyo Tech-AYSEAS 2014 will be decided by the participants through preparatory activities.

Example topics of Tokyo Tech-AYSEAS 2013 held in Thailand:

- Motorization and traffic jams
- Development of energy resources and protection of environment
- Education and industrial management
- Innovation and regional/global competition
- Cultural difference and understanding on different culture

● **BENEFITS for the PARTICIPANTS**

- (1) Can establish an international network
- (2) Can learn about relations between Asian countries
- (3) Can earn a certificate of participation
- (4) Can collect useful information about studying abroad

● **MEMBER UNIVERSITIES**
